DEAR FAMILY & FRIENDS,

One Hundred Men of Color is more than just a gala – it is designed to honor those amongst us who have displayed a long-term commitment that has had a positive impact in our communities. The goal is to bring the community back together, assist various organizations that are empowering our young men and to inspire the next generation of positive thinkers and community leaders.

It's been a long time coming since the opportunity to recognize the efforts of individuals who work hard day in and day out, tirelessly making an effort to reach our young people.

With your help we can continue to drive on the message of Believe, Achieve and Inspire to those forgotten voices in our cities. We invite you to join us and increase your influence of participation on all levels of business, education, entrepreneurship, entertainment, athletics, government and public service.

On behalf of Eleven28 Entertainment, I want to thank the team of folks who worked hard to make every effort to provide you a very memorable experience this evening. We would like to extend our deepest thank you and gratitude for those that have made a commitment to serving their community. The old adage must arise again so we truly realize that it indeed takes a village to raise our children.

I look forward to your continued support as we attempt to provide greater opportunities for generations ahead.

I wish you an unforgettable evening!

LEADING WITH GRATITUDE AND GRACE

Peace and Blessings,
