“All the World’s a Stage...”

Shakespeare

In William Shakespeare’s play, AS YOU LIKE IT, the character Jacques says, “All the world’s a stage, and all the men and women merely players; they have their exits and their entrances...”

Have you had an experience you would like to see on the stage? How would you stage it? What backdrop would you use? What lighting? Would you need any sound effects?

Can you find the word UPSTAGE and the other stage related terms hidden in the word search?
